

Enrolment Information Sessions & Campus Tours 2020

Families considering enrolment at Woodleigh School are invited to attend an Enrolment Information Session with the Principal. At these evening sessions, David Baker discusses the ethos and philosophy of Woodleigh School, providing an overview of the primary years at Minimbah and Penbank Campuses, and detailed information about Year 7-12 programs. Topics include curriculum, school structure, extension and support programs, Broadening Horizons and Round Square opportunities, and the extensive Camps and Activities Programs.

Parents considering enrolling their children at Minimbah or Penbank should also attend an Enrolment Information Session, which gives a perspective of the whole school. Sessions conclude with a Q&A opportunity, where parents are invited to ask questions.

Families new to the School must have attended an Enrolment Information Session and Campus Tour before being invited for interview.
