

Uniform Policy

Winter uniform may be worn on any day of the year unless a different uniform is prescribed.

Summer uniform may be worn only before the May exeat and after the September exeat.

Summer uniform may not be worn between those dates.

General Guidelines

School blazers are to be worn to and from School every day when wearing the Winter uniform. When wearing Summer uniform, blazers are required on days when students attend Chapel or Assembly or as directed on special occasions. Students are not required to wear blazers if the forecasted temperature is 30 degrees or more. The School blazer is considered the outer garment for the School uniform but the School jumper is not an outer garment for the School uniform or for any co-curricular uniform that may be worn to and from School.

Years 6 and 12 hoodies are not outer garments to wear with the School uniform when coming to or going from School as they do not form part of the official School uniform; they may only be worn while at School.

Co-curricular hoodies are to be worn only for sporting matches and other co-curricular activities as determined by the occasion; in these circumstances, they can be worn to and from School.

School Bucket Hats are to be worn outside throughout Terms 1 and 4. This includes recess, lunch, physical education lessons and after-school play. Outdoor co-curricular activities also require students to wear an approved hat to suit the sport or activity.

School bags must feature the School badge/logo.

Jewellery

When in School uniform, students are permitted to wear one matching pair of plain small gold or silver studs in the ear lobes only.

For all students:

- Multiple studs or sleepers, large or ornate earrings are not permitted
- earrings are not to be worn with any sports uniform
- No other visible jewellery is permitted

This rule also applies on Casual Clothes Day.

Students are reminded that if they wear any kind of pendant for religious or cultural reasons it must not become visible through their School or Sports clothing. As far as possible, the School uniform should be worn without ornaments.

Lapel badges should be limited to those awarded by the School, and no more than another two, but the School reserves the right to ban the wearing of badges which it considers inappropriate

Hair and Grooming

Hair for all students must be clean, neat and well-groomed at all times, and should not be gelled or spiked. Cuts or styles which, in the opinion of the School, are extreme and attract undue attention, are not acceptable. If in doubt, please consult the School before making radical changes to hair.

Hair may be coloured or dyed but only on the following two conditions:

- the colour must be natural
- the hair must be only one colour; hair of more than one colour or excessively streaked hair is not permitted.

For all students:

- hair must not hang down over the face or be closely shaven
- hair longer than collar length it must be tied and away from the face
- If a ribbon is worn it must be as simple colour of green, gold or white. Scrunchies and ribbons in the School fabric are the only approved materials for hair accessories to accompany the School uniform
- extreme haircuts are not acceptable

Make-up, coloured nail polish, eyelash extensions and artificial nails are not permitted for any student.

Casual Days

On days designated 'Casual Days', the guidelines for dress are as follows:

Students are reminded that the day is a normal School day in every other respect except that they are not required to wear School uniform. However, the mode of dress on these days should be suitable for the working environment with the emphasis on neatness and comfort, not decoration and poor taste. Open footwear such as thongs is not permitted.

- No visible jewellery
- Normal hair regulations apply.
- Inappropriate messages or logos on shirts will lead to disciplinary action.
